

In today's real estate world, **marketing** is critical.

AmeriTitle is your marketing source for real estate data, reports, and maps compiled in a professional format.

Customized Farm Reports

Pinpoint your target with AmeriTitle's customized farm reports. Our advanced search features can target mailing within a certain radius from a subject property or perform map-based geographic searches saving you time and money.

Search options to reach **buyers, sellers, investors, or renters:**

- Sales Data / Price
- Real Market Values
- Subdivisions
- Acreage
- Land Use
- Bare Land
- Improvement Type
- Area Sales (around an address, by subdivision, zoning, city)
- Ownership (current owners, out of area homeowners, trust, bank)
- Absentee Owner (connect with investors or renters)
- Length of Ownership (time to sell message)
- Square Footage (find prospects interested in moving up or downsizing)

Map Kit Menu

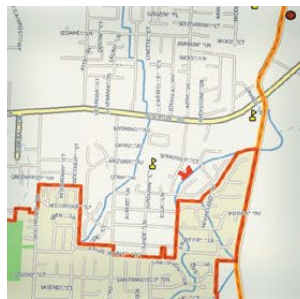

We offer you a marketing solution with our proprietary database and mapping system called ATLASSM.

Our full color maps feature detail and design that will give any property that extra emphasis or information you are looking for.

Select one or all from our **Map Kit** menu for a specific property:

- Locator Maps
- Aerial Photos
- Tax Lot Maps
- Terrain Maps
- Subdivision Maps
- Zoning Maps
- Flood Maps
